Jill Dampier is headed out on a new adventure in life. She will be going with husband Steven to Jerusalem Israel, where Steven is taking up a prestigious post as Dean of St. George's College (see <http://www.stgeorgescollegejerusalem.org/>). If all goes as planned, Jill will be traveling back to the U.S. in October, to finalize her retirement.

All park and personal friends are invited to this going away party. Also, I am looking for all kinds of pictures of Jill for an electronic slide presentation, so e-mail or send me those pics.
